May 5, 2020

Welcome to our updated Boston Homes Virtual Neighborhood. Since we are now in a virtual world during these days when we need to stay at home, we have selected interesting virtual events and activities from many different places

## **Celebrating What Unites Us: Cooking with Oldways**

Join the special at-home “Celebrating What Unites Us!” program at 10 a.m. on Fridays through June 5 to keep us all connected, coming together.

Each week a Chef from Oldways will show you how to prepare a delicious meal, celebrating the cultural heritage of many residents of Boston and beyond. Mediterranean, African, Latin America, Asian and Vegetarian/Vegan themes will be featured.

This program is hosted by Oldways in collaboration with Age-Friendly Boston and Friends of Armenian Heritage Park on The Greenway.
